Who would have thought!!

Just taking a break and pondering how it is that Melbourne has suddenly become Australia's holy grail of COVID-19. It's just a couple of weeks since we were the "parasites" of Australia.

Try planning a holiday. Are you going into a "Red Zone", an "Orange Zone", or, heaven forbid, might you have chosen a "Green Zone" – or it is today, but will it be tomorrow? And what Border permits will you need – today, tomorrow, in a week's time, in a month's time – and will your smart phone hold them all??

Have decided to give up, at least for the next two weeks!!! Might be better to play bowls at ABC.

Annual General Meeting

A reminder that the Club's Annual General Meeting is scheduled for 1pm Saturday 17 July – put it in your diary. The call is out for nominations to the Board, so please consider. Notices on the Club Noticeboard include full detail as well as a point for Board nominations to be recorded.

News around the Club

- President Nigel Thompson underwent the knee for his knee replacement 10 days back. A very slow initial recovery, but Amanda reports that the corner seems to have turned in the last couple of days. Best wishes to Nigel and we all hope that the recovery progresses well.
- Good to see Di Chitty back on the Green – looking and feeling well.
- John & Jenny Mutch did a runner to the Gold Coast as soon as the Queensland border opened – hope they took their face masks and that they can eventually come home.
- Haven't seen Greg French for a couple of weeks and suspect he and Elizabeth have packed the van and headed off as soon as a border opened.
