A COVID-19 “roadmap”, or the Yellow Brick Road – to somewhere, to nowhere, at some time!!!!

Well, what does it all mean?? I don't pretend to know, but it seems that, subject to achievement of vaccination targets being met we might get a Pennant start in November. It seems, also, that there might be an earlier, very limited opportunity for a roll up in small numbers, after 26 October, or thereabouts.

What seems to be more certain is that the earliest (maybe all) opportunities will be restricted to those who are vaccinated – something for everyone to think about.

I'm sure BowlsVic will be working next week to bring a greater focus to these matters within the terms of the State Government “roadmap” announcements. We will have to stay tuned.

Pennant Draws

Some revisions have now been made to Pennant Draws for the coming Season but they remain uncertain depending on aspects of COVID-19 eg Clubs reconfirming teams, prospective impact of “no jab, no play” etc, etc.

As things stand, we have the following teams and Draws:

Saturday Pennant:

Aberfeldie 1 – Division 3, Section 2 – most distant travel is Glenroy
Aberfeldie 2 – Division 6B (12 a Side), Section 1 – most distant travel is Sunbury
Aberfeldie 3 – Division 7 (12 a Side), Section 3 – most distant travel is Gladstone Park

Mid-week Pennant:

Aberfeldie 1 & Aberfeldie 2 – Division 6 a Side, Section 1 – most distant travel is Pt Cook & Hoppers
